

**A Special Invitation to
Take Your Consulting to the "Next Level"
Sign up now to become a
Certified Wealth Preservation Planner (CWPP™)**

Three Days, 24 hours of education on "Advanced" Planning Techniques

- An upper level educational program designed to help advisors with high income/net worth clients.
- Learn topics not covered in ANY other educational certification program.
 - Asset Protection
 - Income Tax Reduction
 - "Advanced" Estate Planning
- 24 hours of continuing education*
- A 640+ page text edited by some of the most well respected experts in the country.

Advance Planning Techniques such as:

- Asset Protection (Domestic and Offshore)
- Charitable Planning
- Section 79 Plans
- Account Receivables (A/R) Leveraging
- Leverage Bonus Plans
- Captive Insurance Companies
- ESOPs
- 412(i) DB Plans
- Qualified Pension Insurance Partnerships
- Reverse Mortgages
- Life Settlements
- Premium Financed Life Insurance
- The Maximizer
- The 1% CFA Mortgage and Equity Harvesting
- And many more....

Stop wondering if you are providing the "best" advice to your medium to small business clients or affluent retirees. By becoming a CWPP™, you will learn topics that few other advisors in the country are familiar with and ones that are very beneficial to high income and/or net worth clients.

For more information on the CWPP™ program, please visit www.thewpi.org.
